WELCOME SPEECH

"Trade Unions Events" e-magazine highlights and promotes the activities carried out by the Confederation of Trade Unions of Armenia (CTUA). The magazine has become a platform for presenting important events, initiatives, and activities of trade union life that contribute to raising workers' awareness and protecting their labour, social, economic, and professional rights.

Today, more than ever, being informed is essential, and we continue our work by strengthening the trade union movement in Armenia and disseminating information that supports and advances the interests of workers.

SEMINAR FOR REPRESENTATIVES OF TRADE UNIONS OF THE PRIVATE SECTOR

On August 1–2, a seminar for representatives of trade unions in the private sector was held through the cooperation of the Confederation of Trade Unions of Armenia (CTUA) and the Solidarity Center in Armenia.

During the seminar, participants discussed legal and practical issues related to labor rights, trade union rights and guarantees, as well as active and responsible trade union engagement.

Participants took part in group activities, shared their experiences and perspectives, and discussed the role and importance of trade unions in protecting workers' rights.

The seminar provided an opportunity not only to acquire new knowledge but also to strengthen cooperation and the exchange of experience among participants, contributing to the development of a strong and effective trade union movement.

MEETING IN AGHVERAN ON LABOR AND LEGAL ISSUES

On August 2, 2026, the Branch Republican Union of Banks, Financial Institutions Employees and Professional Employees of Trade of Armenia organized a meeting at Park Resort in Aghveran, attended by its members and Anna Barikyan, a lawyer from the Confederation of Trade Unions of Armenia (CTUA).

The meeting provided an opportunity for trade union members to openly raise their concerns, present workplace and legal issues, and receive professional legal guidance and clarification.

The meeting served as another important platform for raising workers' legal awareness, discussing their concerns, and strengthening direct communication between the trade union and its members.

SEMINAR FOR WORKERS OF THE STATE REVENUE COMMITTEE (SRC)

Republican Branch Union of Trade Unions of Employees of State Institutions, Local Self-Government Bodies, and Public Services of Armenia organized an informational and training seminar for the active members of the State Revenue Committee (SRC) at the meeting hall of the Confederation of Trade Unions of Armenia (CTUA).

During the seminar, Anahit Asatryan, Chairperson of the sectoral trade union, presented the goals and functions of trade unions, the rights granted to them, and the main areas of activity of the Trade Union of Employees of State Institutions and Local Self-Government Bodies of Armenia.

Representatives of the governing body of the SRC employees' trade union attended the meeting, including its newly elected Chairperson, Armine Asryan.

Participants discussed issues of concern to them, including matters related to labor law and socioeconomic challenges. SRC employees also presented their proposals regarding the trade union's future activities and priorities.

Such meetings are important for raising workers' awareness, protecting their rights, and strengthening the effectiveness of trade union activities.
